# AGENDA

ACCESSING HISTORICAL DOCUMENTS IN MITS POST 2/1/2023

TRAINING OBJECTIVES

OVERVIEW OF OMES COST REPORT AND RATE SETTING WEB PORTAL

HOSPITAL COST REPORT SUBMISSION PROCESS USING STAT LOG

# Accessing Historical Documents in MITS – Time Limited

---

- Post 2/01/2023, historical cost reports and documents will be available until 3B release.
- Access the MITS secure portal by selecting the Claims, Prior Authorization, Eligibility or Hospice links in the self service section of the PNM portal to navigate to the MITS secure portal to see this information.
- Once the 3B release, Date TBD, is implemented no Access to the MITS secure portal will be available to providers.

# General Training Objectives

---

- Provide an overview of the cost report submission process via the OMES Cost Report and Rate Setting Web Portal.
- System provides for an exchange of information in a secure environment and allows upload and electronic storage of documents, which includes at a minimum, cost reports, work papers, provider correspondence, provider supplemental documents, state correspondence, and many other document types.

# GENERAL OVERVIEW OF OMES COST REPORT AND RATE SETTING WEB PORTAL

---

# USER ROLES

- Individual users will be set up in PNM with appropriate user role.
- Using the same user role names as currently used in MITS however permissions are different.
- An individual can only be assigned **ONE** user role per provider.
- An individual can be assigned a user role for multiple providers and that role can be a different role for each provider.

# USER ROLES

- Provider and Provider Agent User Roles
  - Provider Administrator – this is the individual that has the authority in the PNM to assign Provider Agent roles. This individual does have permission to upload cost report and required documents for cost report submission.

# USER ROLES

- Provider and Provider Agent User Roles
  - Hospital Cost Report Upload – the individual that is assigned this user role has the permissions to upload the cost report and required documents for cost report submission.

# USER ROLES

- Provider and Provider Agent User Roles
  - View Hospital Cost Report - the individual that is assigned this user role does not have the permissions to upload the cost report and required documents. They only have permissions to download files.

# OMES Cost Report And Rate Setting Web Portal Training Recording

Recorded trainings for the OMES Cost Report and Rate Setting Web Portal are available now in the learning management system (LMS), Absorb. Once logged into Absorb, choose the Virtual Stage 3 Training Session: OMES Cost Report and Rate Setting Web Portal – Hospital Providers. The recording can be found under the Resources section.
