

Quick Reference Guide: Accessing the Provider Public Search

*Unless opted out on the Primary Service Address Page,
active Medicaid Providers will appear in the Provider Search*

Steps:

1

Select the 'Menu' located at the top left of the toolbar, to access the menu options.

2

Under the menu option, select
"Provider Search - GIS" to
access the provider search
function within the PNM system.

3

A screenshot of the 'Provider Search (Public)' form. The form has a light gray background. At the top, the title 'Provider Search (Public)' is displayed. Below the title, there is a section labeled 'Search Criteria'. Inside this section, there is a label 'Provider Type' followed by a dropdown menu. To the right of the dropdown menu are two buttons: 'Search' (dark blue) and 'Clear' (gray).

Within the search functionality, providers can be searched by provider type.

Quick Reference Guide: Accessing the Provider Public Search

Steps:

4

Select the Provider Type you wish to search for from the drop-down menu.

5

Once the search criteria has been entered, select 'Search' at the bottom of the page to execute the search.

6

The search results will display on the map.

Hover over an icon on the map to see further details. The size of the map can be adjusted by selecting the '+' and '-' buttons on the top-left of the map.
