The last column on the table listed under 'My Current and Previous Applications' will inform whether the Medicaid record is in an active workflow.

*An "N" displayed under 'Workflow Complete' indicates that the application, update, or revalidation is still being reviewed or processed and the workflow has not been completed. This would also prevent any updates from being made to the Medicaid record, until the workflow is complete.*

To obtain a status update for an application, please reach out to the Ohio Department of Medicaid at 1-800-686-1516 (Option 2 followed by Option 2).
